About the Scholarship

This scholarship was established by Randy Davis, a former Potosi R-3 Superintendent and proud graduate of Potosi R-3 High School, whose life was deeply shaped by his involvement in extracurricular activities. He served the district with reverence and respect, always grateful for the opportunity to lead—and steadfast in his belief in the potential of every student. The phrase '**Love Purple ~ Live Gold**' became a guiding spirit during his leadership and continues to live on through students who embody it in their everyday actions. This scholarship is less a reflection of the past and more a tribute to the future—to those who carry the Trojan values forward in how they lead and live.
